INTERIORS

Our services

Our aim is to make your home functional and beautiful on time and within budget. I just love all things interiors and I want you to love your home too. Jerling Interiors takes great care in creating spaces that are true reflections of our client's needs and likes.

Virtual Design Consultation

The process

- You virtually walk me through your home and ask me any questions you want for up to 1 hour. I will then give you all of my design ideas, tips on designing, styling, decorating, wall art hanging, colour coordination, everything! I will give you recommendations on furniture and where to purchase them and how to place and install them and so much more!
- R900 per room

Inhouse Interior & Home Styling

The process

- 1 Hour inhouse consultation
- I will then give you all my ideas and recommendations. Source and order all products and furniture and installation
- R1250

Jerling Interiors Online Store

I have started my online store with all my favourite items! My store represents my design style. I take great care in sourcing items that are on trend and of great quality from all over the world.
